encourages all teenagers to follow the "No

Use" policy and obey the laws of Georgia with regards to alcohol and drugs.

It is understood that having a driver's license and driving a car are privileges not rights. Any privilege has to be earned, and that means that driving privileges may be revoked due to an infraction of the rules.

I _____, (teenager) promise that if I were to be faced with a situation where a driver had been drinking or using drugs, I will call for advice or transportation at any hour from anywhere. I have discussed this and fully understand your opinions about safety, underage drinking and drugs. (See reverse side)

I _____, (parent) agree to respond to your request and to make arrangements to ensure that you get home safely. I will not expect to discuss this until a later time. You are legally responsible for your actions as a driver. We, as your family, agree that we will also abide by the terms of this contract.
